

Warren Lee

Warren Lee is a Managing Director and Regional Head of Standard Chartered's Asset Securitization Group based in Hong Kong. Mr. Lee has over twelve years of experience in the securitization market, of which five were in Asia.

Prior to joining the bank in July 2003, Mr. Lee established and managed Bank of America's and Deutsche Bank's Asian securitization business in 1998 and 1996 respectively. Prior to arriving in Asia in 1996, Mr. Lee worked in securitization and capital markets groups in NYC/London with CSFB, Chemical Securities and Barclays.

Over the past twelve years, Mr. Lee has completed over 15bb of transactions in the international/domestic capital markets and ABCP markets, asset classes included, auto loans, credit cards receivables, corporate trade receivables, future flows, commercial and residential mortgages. As for Asian experience, Mr. Lee has worked on transactions in Korea, Singapore, Hong Kong, Indonesia, Thailand, Malaysia, Japan, and PRC.

Mr. Lee holds an MBA from New York University and BS in Engineering from SUNY.
