Sarbanes-Oxley and reforms “beyond SOX” have resulted in a corporate governance estimated to have a cost of over US\$8 billion per year. What are these suggested improvements? Which are improvements? Which are not? Is SOX and “SOX and beyond” a case of “more is not necessarily better?”

Douglas Branson is the W. Edward Sell Chair in Business Law at the University of Pittsburgh and a Permanent Fellow at the University of Melbourne. He is the author of *Corporate Governance, Understanding Corporate Law*, and 8 other books as well as over 70 articles. He has been the expert witness in the WorldCom, Adelphia Communications, HealthSouth and certain of the Enron lawsuits, as well as secures of other major cases.
