

UNIVERSITY OF HONG KONG FACULTY OF LAW

Public Lecture

The CMI/UNCITRAL Preliminary Draft Instrument on Transport Law

The long-tried regime of the Hague and Hague-Visby Rules is coming into question, the Hamburg Rules have not been successful, and some countries are adopting their own rules for carriage of goods by sea. The CMI/UNCITRAL proposals, now at an early stage, seek to provide a new regime, which also covers transport documents, delivery, right of control and other matters not touched by the Hague Rules.
